

# Australia Taxation Advanced

11<sup>th</sup> Edition

## Corrections

Date last published: 15/07/2025

### Item 1

Date last published: 15/07/2024

### Appendix

#### Individual Income Tax Rates, page 541

- Line 2 of the tax table on page 541 should read "16c for each dollar over \$18 200." Please note the figure of \$4 288 on line 3 is the correct amount of tax payable on the first \$45 000 of earnings based on 16%.

*Please note that an FAQ document and Ask-the-Expert forum for each subject can be found in Guided Learning which is hosted by KnowledgeEquity. These FAQs and forums cover any clarifications or other frequently asked questions that may have been raised.*

*You can find the FAQ document on the Guided Learning Dashboard, and the Ask-th- Expert forum on the top right-hand corner above the course material.*
